

**IRA Distributions** - If you are 70 ½ years or older, you may take advantage of the Pension Protection Act of 2006, which allows you to make a donation directly to a charitable organization from your IRA on or before December 31, 2007. You will not pay income tax on the amount donated, but you cannot claim a charitable deduction. Please contact your financial advisor for further information. This gift will show on your FBC contribution record as a “non-deductible” gift and will be credited against any pledge balances that you have. Gail House is the church’s contact person.
